

Where Learning
Comes to Life

Dear Medical Provider,

The individual named below is enrolling in a **law enforcement training academy** that would qualify them for employment as a law enforcement officer for an environmental agency (National Park Service, Washington State Parks and Recreation Commission, etc.) or as a Reserve Police Officer in the State of Washington. The training dates set for the program are EITHER August 21, 2018 through December 19, 2018, or January 2, 2019 through April 25, 2019, and include training in, but not limited to, the following areas:

- | | |
|--|----------------------|
| EVOC (Tactical/emergency vehicle operation) | Patrol Procedures |
| Defensive Tactics, including ground fighting | Radio Techniques |
| Chemical Agents and full-face pepper spray exposure | First Aid/CPR |
| Firearms | Search and Rescue |
| Physical Conditioning, including 1.5 mile run | Use of Force |
| Field Exercises (scenario-based training) | Academics |
| Skills demanding dexterity, attention and coordination | Verbal Communication |

Please examine this applicant to verify that s/he is in **above-average physical condition** to undertake the rigorous Parks Law Enforcement Academy at Skagit Valley College. This Academy consists of approximately 720 hours of training in the above subjects, which requires mandatory physical and mental training and preparation in order to become certified.

Respectfully,

Rick Mossman, Academy Director
Parks Law Enforcement Academy

This is to verify that I have examined _____ and did not find any physical impairment that would interfere with his/her functioning while undertaking the Parks Law Enforcement Academy at Skagit Valley College in Mount Vernon, WA.
